MICE IN A MAZE—Members of the eighth grade class at Meadow Park School have pets these days which are helping them with their school work. Pets are black and white mice that help them with their science and arithmetic studies. Reports on mousey activities are an integral part of both topics. Looking over a mouse maze and a mouse wheel are Chuck Guerin, Gene Cooper and Gary Emrich.

Red Cross Lists 190 Donors At Dec. Bloodmobile Visit

Over one hundred and ninety blood donors took part in the recent Torrance community Red Cross bloodmobile, according to Mrs. Robert Orsini, blood program chairman.

"We had a little competition from the dense fog last Thursday," explained Mrs. Orsini, "but we had excellent support from our regular donor groups."

High among groups who made donations were 24 EmCo. who gave blood to replace that used in the "open-heart" surgery performed on the son of a fellow worker.

Four-year-old Ronald Lindsay was successfully operated upon at the UCLA Medical Center on Oct. 10 to repair valves leading to his heart which were not functioning properly.

REGULAR DONOR

Young Ronald's father, Bruce Lindsay, is a material control clerk at National Supply. In addition to being a regular Red Cross blood donor himself, Lindsay had the support of 23 co-workers in replacing part of the estimated 40 pints of blood used for his son.

Community bloodmobiles are conducted by the Red Cross in the Torrance area three or four times a year. Persons wishing further information about the Red Cross Blood Program are invited to telephone FA 8-0510 or TE 26321.
